**NARRATIVE:**

Sola, a documented member of the Harbor City Boys gang, has an extensive adult criminal history that began at the age of 19. His convictions include kidnapping, multiple assaults, battery, inflicting corporal injury on spouse, possession of controlled substance, violating protective order of a minor, accessory to assault, indecent exposure, soliciting lewd acts, driving under the influence, and violation of supervision. He has served multiple state prison terms the longest a six (6) year term for kidnapping. Sola was released from state prison to the supervision of the Los Angeles County Probation Department on June 8<sup>th</sup>, 2012. Under the Governor's Public Safety Realignment Act of 2011, better known as Assembly Bill 109 (AB 109) the responsibility of lower-level offenders was shifted from the State to Los Angeles County. He subsequently failed to report to his probation officer and an arrest warrant was issued in February 2014 after he absconded from post release community supervision (PRCS). Sola qualified to be released to the supervision of probation, under AB 109, because his current commitment offense for the possession of a controlled substance is defined as non-serious and non-violent under the California penal code. His prior criminal history, gang member association, and current failure to comply with the terms of release make him a most wanted. If you know his whereabouts please contact...
